Class Announces the Release of**

A Paw Print on Hope

Wisconsin Rapids, WI, January 13, 2010 – We are proud to announce that A Paw Print on Hope, a beautiful hard-covered coffee table book, is now available for sale. You may purchase your copy for only \$25, and 100 percent of all proceeds go to support the South Wood County Humane Society's Capital Campaign.

A Paw Print on Hope features exquisite photographs of local pets, touching animal adoption stories, and a history of SWCHS. The colorful 64-page book is dedicated to Hope, a dog rescued from a puppy mill in 2008.

"This book gives me tingles" was a comment heard by the review committee. Heartfelt tears, lighthearted laughter, and warm admiration were just some of the emotions expressed by those viewing the book in its entirety.

A Paw Print on Hope was created by members from the 2008-2009 HOW Leadership Class and was sponsored by individuals and businesses interested in helping finance a new home for the South Wood County Humane Society. The Community Foundation of Greater South Wood County also funded this project by Community Grant Funds.
